Information

Classic Cottages only offer insurance products from a single insurer. We do not give advice or make personal recommendations in connection with any travel insurance product. You must make your own decision as to whether an insurance product we offer fulfils your specific insurance requirements.

Travel Insurance

This travel insurance policy may suit the demands and needs of an individual, or group (where applicable) who have no pre-existing medical conditions and who wish to insure themselves against the financial impact of deposits paid and forfeited and further payments due under the terms of the holiday booking, if the holiday is necessarily and unavoidably cancelled or curtailed due to circumstances or events specified in the policy information.

IMPORTANT INFORMATION

The travel insurance policies offered have a number of exclusions and restrictions to them. It is very important that you read and understand these and only purchase the policy if you are happy that you and every member of your party meet the eligibility criteria: Specifically our policy will NOT be applicable for you if:

- You are over the maximum specified age at the time of booking your trip
- You have pre-existing medical conditions

Examples of these and other conditions and restrictions and what to do if you are unsure about any aspect of an exclusion are contained within your policy information.

If after purchasing your policy should you find it does not meet your requirements you have 14 days from the date of issue, or prior to travel (whichever is sooner) to cancel the policy. If you do decide to cancel your money will be refunded in full, provided no claims have been made or incident likely to give rise to a claim has arisen.

I have read and understand the above information and confirm that I have been provided with a copy of this document together with all relevant policy documentation to enable me to make an individual informed buying decision based on my own personal circumstances, travel plans and the merits of the policy. This buying decision was my own and I did not receive a personal recommendation or advice from Classic Cottages.

Please keep this page with your insurance policy documents.

It is not necessary to return it back to us.
